Important Reminders

Graduation -- If you are planning to graduate after the current term, please know you will need to apply for graduation. The Graduation Application, for which there is a nominal graduation fee, enables you to receive a diploma (when applicable), official copies of your college transcripts and to participate in the commencement ceremony (if applicable) held in May. Completed applications should be submitted to the Registration Department - watch your BTC e-mail for deadlines and important graduation/financial aid information.

Disability -- BTC complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. For questions regarding support services and accommodations for students with disabilities, please contact: disabilityinfo@blackhawk.edu.

Instead of a course waitlist, we have implemented a new process. If a course you are interested in is currently full, you can print, complete and return the [Additional Course Section Request Form](#) to the appropriate Division (listing of divisions on form). Please make sure to complete the entire form. The Division will follow up with you if your request can be accommodated.
